APRIL Wine-of-the-Month

HEDGES

'09 "Columbia Valley"

CMS

HEDGES call this their pre-AOC, pre-prohibition Bordeaux blend, referring to the fact that long ago Bordeaux producers would secretly "beef up" their wines with the sturdier Syrah-based reds from the south of France. What results is this delicious fruit-driven Cab-based blend bursting with sweet red and black fruits, chocolate, vanilla and spice! Cabernet, Merlot and Syrah.
