LEAL

- MARTIN RAY** '04 "Santa Barbara." Lots to like in this Santa Barbara Pinot bottling! A bowl full of cherries & just the right amount of smokiness. **13⁹⁵**
- BOGLE** '04 "Russian River Valley." This is the first time we have featured a Bogle Pinot Noir and it is quite tasty! Floral aromas of crushed rose petals and violets are welcoming and inviting with dense fruit flavors of black cherry & toast oak overtones. **10⁹⁵**
- ECHELON** '05 "Central Coast." A California Pinot Noir under \$10 that we can whole-heartily endorse! Yes, you can find California Pinots in the market under \$10 but most of them are horrible! The demand (driven by the movie "Sideways") for this varietal is overwhelming & wineries are compromising quality to get a Pinot in the market as quickly as possible. **STOCK UP BY THE CASE!** **7⁹⁹**
- MACPHAIL** '04 "Sonoma Coast." "92" Wine & Spirits, This winery is putting out some of the best Pinots around! Pinot is all they do and it shows in this terrific wine! **31⁹⁵**
- ORCHID HILL** '03 "Paso Robles." First time in our store. The wine displays rich cherry fruit with hints of allspice and toasty vanilla. **13⁹⁵**

NEW CHARDONNAYS

MOUNT EDEN

'03 "Edna Valley" Wolff Vineyard Chardonnay

An old favorite is back and as delicious as ever! This used to be known as the "Macgregor" bottling but the vineyard was sold to the Wolff Family in 1999. Full, lush, tropical fruits dominate this wine from start to finish. **12⁹⁵**

POPPY '05 "California." Rarely do we find a Chard. with such a great balance under \$10. Partial malolactic fermentation aged in older oak casks translates into spiced apple, vanilla and a clean lingering finish. **7⁹⁹**

MINER '04 "Napa Valley." Wild Yeast. The grapes are fermented using only indigenous yeast cultures found on the skins of the grapes themselves. Citrus and caramel add to the intrigue of this wonderful Chard. **39⁹⁵**

PAHLMAYER '04 "Napa Valley." Very good and very allocated! **59⁹⁵**

FRANK FAMILY '05 "Napa Valley." Not only did they have a quality vintage in '05, they had quantity to match! That means a great Chard & availability! **26⁹⁵**
